

BCS ENDS STATEMENT

Because of BCS, people in Bloomington and South Central Indiana will have...

- A market for local, fair and healthful products, produced with care for the land, animals, and future generations.
 - A democratic cooperative-ownership model that provides meaningful employment and strengthens the community.
 - A robust and sustainable local food economy with fair prices for producers and all owner-members.
 - Access to education on food systems, cooperative values, and the interconnectedness of food, health, and the environment.
-
